

## B10 Smart Button

Get one-touch emergency response: program button presses with a correlated action, like dispatching emergency services, triggering loud alarms, or securing doors.

### One-Touch to Take Action

The B10 Smart Button is a quick and easy solution that empowers employees to stay in control during a crisis. With one push of the smart button, a live stream can be sent to TMA Five Diamond Certified dispatchers for immediate emergency dispatch and coordination with first responders. Additionally, the B10 is customizable to perform various actions like triggering an audible alarm, locking and unlocking doors, and sending alerts to administrators.

-  \$99 (MSRP USD)
-  Call for help with the push of a button
-  Short, long, and double-press button functions
-  Custom functions for panic and all-purpose modes
-  Backed by a 2-year warranty
